# DUAL ENROLLMENT

**NEW ENGLAND CULINARY INSTITUTE®**

## WHAT IS AVAILABLE TO YOU

New England Culinary Institute (NECI) offers majors in Culinary Arts, Baking & Pastry Arts and Hospitality & Restaurant Management. Not only do we support local businesses and community, we support you - as Vermonters and as students passionate about the food and hospitality industry.

The Vermont Dual Enrollment Program was created for students such as you. With the recommendation of an instructor or guidance counselor, Vermont students are provided the opportunity to earn college credits while still in high school. NECI's Introduction to Food and Beverage Management course consists of a three month online component followed by a short residency (during your spring break) that includes housing and meals. This course is free to you through this program.

## SUCCESSFUL COMPLETION EARNS YOU

- 3 college credits from New England Culinary Institute
- A \$12,000 scholarship if you enroll in July of the year you complete the course
- A \$6,000 scholarship if you enroll in January of the year after you complete the course

## DON'T WAIT

Talk with your instructor or guidance counselor today about registering for this program and explore all the great things happening in your own backyard!

## REGISTER TODAY

The deadline to register is December 19, 2011. Mail us your Registration and Recommendation Form and first quarter high school grades, or fax them to 802.225.3280.

**QUESTIONS?** Contact us toll-free at **877.223.NECI (6324)** or e-mail **info@neci.edu**.

For information about our graduation rates, the median debt of students who have completed our programs, placement rates, and other important information, please visit our website: [NECI.edu/program-disclosures](http://NECI.edu/program-disclosures).

## INTRODUCTION TO FOOD AND BEVERAGE MANAGEMENT

### COURSE OVERVIEW

**COURSE DURATION** 10 weeks of online instruction and a 5-day residency at NECI

**INSTRUCTOR** Margaret (Peg) Checchi, BA 1989, AOS Culinary 1991, Chef Instructor, New England Culinary Institute

**COURSE DESCRIPTION** Introduction to Food and Beverage Management blends classroom, lab, and online instruction. The course includes both theoretical online components and practical, on the ground, hands-on application of food and hospitality management practices in the form of a one week, on the ground, intensive residential component.

**DEDICATED HOURS REQUIRED** Approximately 5 hours per week (including course time and readings), plus a 5 day (40-hour) residency.

**COST** The Statewide Dual Enrollment Program pays for the fees associated with this course- which includes online and residency instruction, as well as all residency supplies, housing and meals. Students are responsible for purchasing any required textbooks. Students are encouraged to bring their own chef uniforms and knives.

**DEADLINE FOR REGISTRATION** December 19, 2011
