

NEW ENGLAND CULINARY INSTITUTE™

REQUIRED BOOKLIST FOR DEC 09 & JAN 10 TERMS

Many students prefer to rent textbooks or to purchase them used, discounted or online. As a result, NECI does not provide textbooks. Students are required to supply the books on the lists attached **prior to the beginning of their residence term.**

BA students enrolled in elective classes may need to purchase additional books, as outlined by the instructor. Knives, uniforms, and NECI-specific supplies will be available at Orientation. Students who wish to purchase their books locally in Vermont may wish to contact Rivendell Books in Montpelier. Rivendell offers a 15% discount to NECI students on all book purchases and sometimes has used books available. If you wish to purchase your texts through Rivendell, you are encouraged to contact the bookstore at 802.223.3928 to reserve; this helps ensure that enough copies will be available.
